HIGHLIGHT

The Lady Stingers defeated Sherbrooke for the first time in 3 years on Friday. The Stingers have a record of 4-0-1 in league play. They are now the team to beat in the women's soccer league.

The men's team recorded back to scoreless ties on the weekend. They have a record of 0-1-3 in league play.

STAR OF THE WEEK

ANNIE CARON

Caron played in her first game as a Stinger against Sherbrooke Friday night and made an immediate impact. The three year veteran of the Canadian National Team scored the winning goal as the Stingers came back from a 1-0 half time deficit. The second year Arts & Science student also scored goals in each of the Stingers wins against U.Q.T.R. Caron should take some of the goal scoring pressure off Sophie Drolet.

UPCOMING EVENTS

The unbeaten Lady Stingers host Sherbrooke Sunday, October 16 @ noon.

The men host Bishop's Friday, October 14 @ 4:00 P.M.

WOMEN'S VOLLEYBALL

The Stingers placed second in the Plattsburgh State University Tournament on Saturday October 1, 1988. Under the guidance of former National Team member Melanie Sanford, the Stingers looked very good in their first ever competition. The Stingers only loss was against McGill (3-15, 15-2, 13-15). Canada's newest varsity volleyball team defeated Plattsburgh State, Clarkson, St. Michaels, and St. Lawrence University in the best of three matches.

Concordia's next action is at the McGill Tournament, on Saturday, October 15.
